## Curriculum

At Union City Christian Academy Kindergarten Program we utilize the time tested and world renowned curriculum published by **Accelerated Christian Education (ACE)**. It is Christian based and designed to teach academics as well as Christ-like character.

We combine A.C.E. with Zoo-Phonics ([www.zoophonics.com](http://www.zoophonics.com)), and other well-known phonics curriculum and work diligently from **September with the goal of reading by December.**

We will also utilize **Houghton-Mifflin Math Steps Level 1, a first grade math curriculum**, with a goal of exposing children to higher level mathematics and to prepare them for Stanford 9 testing in the Spring.

**Class size is limited to 18 students with a teacher/student ratio of 1 to 9.**

**Overall, this program assures parents of:**

- A solid, back to basics education for their child
- A course of study specifically designed to teach students to achieve their goals and reach their potential.
- A program incorporating character building and wisdom principles.

## Spiritual Emphasis

The spiritual emphasis of our Kindergarten Program extends beyond the daily curriculum. Every school day is opened with prayer, Scripture readings, and pledges to the American Flag, Christian Flag and the Bible. Students are given incentives to memorize selected Scriptures. Thanks is offered before meals. When a child has a special need or problem, the faculty is available, ready to assist in prayer for a resolution.

## Faculty

The faculty of Union City Christian Academy Kindergarten Program are committed to academic excellence in a Christian environment. The staff consists of teacher Maria Turner and a full-time teachers aide. Sis. Turner has been teaching at the Academy over seventeen years. She is a born-again Christian and regards her teaching position as a vital ministry. She makes herself readily available to her students and parents with a sincere desire to bless each family.

## Admissions

Scripture clearly teaches that parents are responsible for their children's education. The Biblical role for a Christian school is to be an extension of the home and to reinforce the values and standards of the parents. Because Union City Christian Academy is a Christian school, it is an admissions requirement that parents accept their responsibility and work with school staff in providing their children's education. Union City Christian Academy does not discriminate on the basis of sex, race, color, nationality or ethnic origin.

## Registration
